

*Two trusted organizations.  
One Fund, one goal: preserving our natural heritage...*

The new *Natural Areas Protection Fund*, held at the *Community Foundation of Greater Peterborough* secures your investment in the future. The *Kawartha Heritage Conservancy* will use grants from this endowed fund to support the ongoing costs of protecting the natural places it owns and monitors.  
*To protect your natural environment and cultural heritage.*

*Community Foundations of Canada* and the *Ontario Land Trust Alliance* are partners in this project and will be contributing money in proportion to the donations received up to a maximum of \$20,000. Help us to establish this permanent fund to support land stewardship and protection in the community we all share.

*The Community Foundation of Greater Peterborough*

Peterborough's vital link between caring community members and local causes that matter. The Community Foundation fosters philanthropy by pooling endowed and special funds, while its grants to local registered charities enhance the quality of life for our citizens.

*The Kawartha Heritage Conservancy*

KHC is Peterborough and The Kawartha's local land trust. Working with the Ontario Land Trust Association they work to preserve and promote local environmental and cultural heritage. KHC is a volunteer-driven organization as well, and relies on the support of local donors and foundations like The Community Foundation.

"Protecting Your Natural Environment and Cultural Heritage in the Kawarthas"

Preserving our natural environment with your help.

I agree. I want to protect natural areas and support land stewardship activities with my donation to the **Kawartha Natural Areas Protection Fund** at The **Community Foundation of Greater Peterborough**.

By donating to The Community Foundation of Greater Peterborough and The Kawartha Heritage Conservancy, you are actively helping to ensure the ongoing preservation and promotion of the rich natural and cultural heritage of The Kawarthas region. With numerous species at risk and some of Ontario's richest environmental diversity present, we need your help to ensure that future generations can enjoy the truly unique features of The Kawarthas. Both The Community Foundation and KHC welcome and appreciate support through donations and volunteerism and thank you for your interest in our organizations!
